November 2019

Dear Parents

Please find attached a list of revision products from CGP that may prove useful for your child in preparing for future Key Stage 4 assessments in Mathematics. The prices quoted are those that school is able to purchase the items at and represents a much lower value than the recommended retail price found in shops.

If you would like to order any of the items, please indicate the quantities below and return to the Maths department by Monday 2nd December at the latest. If you are unsure about which tier of entry may be best for your child, please do get in touch and we will give you some advice.

Yours faithfully

Mr J McNaught
Head of Mathematics

S50

Headmaster: Mr D Grierson BA, MA (Econ)
