

June 2017

Dear Parents/Carer,

Over the past academic year School has had to deal with or inform parents of issues surrounding the use of social media and the internet that some of our students have become involved with.

This is a continuing problem and we all need to work together to keep our children safe.

The NSPCC have an abundance of information on their website to help us talk, educate and support our children on social media and the internet. This includes advice for parents and children on:

- Share Aware
- Sexting
- Child Sexual Exploitation
- Grooming
- Parental Control
- Net Aware
- Gaming Sites

There is also lots of information relating to other concerns :

- Children's Mental Health
- Supporting through a Separation/ Divorce
- Drugs and Alcohol
- Self Harm
- Staying safe away from home.
- Bullying

School continues to address and educate our children in our setting through PSHE lessons, Enrichment Days and cross curricular topics.

Please take the time to look at the above information to help us work together to Educate and keep our children safe. <https://www.nspcc.org.uk/>

If you require any further information please do not hesitate to contact myself or Mrs Smith.

Yours sincerely

Mrs K Conway
Head of Pastoral
