

Hulme Hall Grammar School

Press Release, 27th March 2018

Hulme Hall Grammar School stepped out for cancer on Friday with a sponsored walk in aid of Beechwood.

Pupils from Years 7, 8 and 9 walked around Bruntwood Park and the surrounding area to raise funds for their chosen charity.

Said Headteacher Rachael Allen, “We are delighted to be supporting Beechwood and all the tremendous assistance they give to families”.

“We wanted to choose a charity within our local community and Beechwood was the obvious choice, especially as so many of our pupils and staff have been touched by cancer in some way.”

The school has a fabulous reputation for raising money and pupils are given the opportunity to nominate a charity each academic year. Beechwood was chosen this year because of its wonderful work within the local area and its proximity to the school’s new site in Davenport.

Angela Gray, Beechwood’s Head of Fundraising said “The support of the local community is so important to our charity and the fact that young people are engaging in fundraising in this way means that we are able to offer help and support to more people living with cancer or life-limiting illness. Beechwood is so proud to have been chosen by Hulme Hall Grammar as their charity for this academic year and we are looking forward to working with them – their donations will make a huge difference”.

Staff and pupils have also taken part in a non-uniform day and a cake sale is planned for next term in the hope that the total amount can be given a further boost!
