

Hulme Hall Pre-School Newsletter

January 2018

Dear Parent/Carer

Welcome back and Happy New Year to you all, and a special welcome to our new starters.

On behalf of all the staff, thank you for all your cards, gifts and kind wishes.

I hope you all enjoyed the festive period and the children are ready to face the busy term ahead.

Don't Forget...

Saturday 13th January

Open Morning

Coffee and Cake morning

Thursday 15th February

9.30am – 10.30am

Topic

This half term, our topic is food. We will be teaching the children about healthy eating, where food comes from, food from around the world and they will have the opportunity to bake and taste!

If you are a budding MasterChef and would like to share your culinary skills with the children, please let us know!

Parent Partnership

We work extremely hard to ensure that your children benefit from the time they spend at school. We will be sending out parent questionnaires in the coming weeks, giving you the opportunity to tell us what you think about our Pre-School and the service we provide. Your views, feedback and ideas are important to us, so please do take time to complete the questionnaire.

We also have a comments box in the main entrance, please do use it should you wish to let us know of anything and we will always put your ideas to good use.

Nut Free Zone

As a small number of our children have serious nut allergies, please remember we are a NUT FREE school when you are providing snacks / packed lunches for your child.

Thank you for your support & understanding.

Electronic Learning Journey

Please do take the time to access your child's electronic learning journey. You can add your own comments and photographs and be a part of their learning journey. If you are unable to log on or require a new password, please let us know.

Holiday Care

Our holiday club is open all year (excluding bank holidays)

7.30am – 6.00pm

Thank you for your continued support and we look forward to working with you in 2018

Mrs Khinda

Head of Hulme Hall Pre-School
