

Hulme Hall Grammar School

Celebrating the individual since 1928

An independent co-educational school accredited by the Independent Schools Council

13th April 2018

Dear Parents/Carers

I hope you are all enjoying your Easter break, despite the inclement weather.

It has been a watershed year in the history of Hulme Hall and I am grateful to Miss Allen, Mr Robertson and all the staff for the work undertaken in the move to our new site. We now have a school to be proud of and this has only been achieved thanks to a tremendous team effort.

The Governors have been determined to get the best possible deal for the site of the old school and this has been quite a complicated process. However, we believe we will soon receive the first tranche of money and this will be immediately invested into an ambitious development programme for Hulme Hall.

While the speed of the process has been frustrating it is our aim to create the solid foundations that will secure the future of the school for many generations to come.

Hulme Hall now stands alone as the only small school in the area surrounded by large independent and state schools. This uniqueness allows us to be the school that offers individual care to pupils of all abilities.

I have attached the fee structure for the next academic year.

With best wishes for improved weather as we move into the summer term.

Yours sincerely

PP
