Dear Parent/Carer

## GCSE Geography – Data Collection in Castleton

A GCSE Geography Trip has been arranged to collect data on Thursday 7th June.

Pupils will travel by coach to the village of Castleton in the Peak District National Park, where we will do a Rivers Survey before collecting our data in the village of Castleton. This will allow pupils to complete both the Physical and Human data collection requirements for one of the exams they will take in the summer of 2019, it is therefore very important that every pupil attends.

We shall leave school after registration and will have returned by the end of the school day so that pupils can go home on the school bus as normal. Normal school uniform should **not** be worn as it is vital that pupils are properly equipped for a day outside in June. If pupils can bring wellies it would help as they will be required to get in the water on several occasions.

There will be a cost involved for the trip as a coach has to be hired for the day. A contribution towards the cost of travel is requested to the sum of £10. Payment can be made by cash or cheque (cheques payable to 'Hulme Hall School Fund').

If your child usually has a school dinner then sandwiches can be arranged, or there are lots of cafés in Castleton where food can be purchased.

Please complete and return the attached Reply Slip as soon as possible.

Yours faithfully

**Mr Lamerton**
