May 2018

Dear Parent/Carer

Year 10 Sustainable Science Challenge at Stockport Grammar School

Stockport Grammar School have invited our Year 10 pupils to take part in a Science Competition.

The competition themed around Sustainable Science will be held at the Stockport Grammar School site on Wednesday 4th July 9.30am – 2.15pm. We are looking to take two teams of four Year 10 pupils with us for a series of fun, team challenges across all three Science disciplines.

The competition is aimed at providing pupils who have a passion for Science with the opportunity to use advanced lab equipment and to engage in Science beyond the curriculum. Refreshments and lunch will be provided for the team.

Please complete and return the attached Reply Slip giving permission for your child to attend.

Yours faithfully

Mr A Stevenson
Head of Science

S122

REPLY SLIP

**Year 10 Sustainable Science Challenge
Stockport Grammar School**

I would / would not like my son/daughter to take part in the Sustainable Science Challenge.
