Dear Parent/Carer

Year 10 College Taster Days

In order to support your son/daughter's careers education transition at 16+ we have organised two college taster days in the final few weeks of term.

The aims of the taster days are to:

- ❖ Introduce our Year 10s to College life
- ❖ Give them the opportunity to participate in A Level and Btec class taster sessions
- ❖ Show them two Colleges that have been the most popular with HHGS leavers
- ❖ Allow them to see the College facilities and meet with lecturers
- ❖ See first hand, the support that Colleges offer regarding academic progress, learning support and well being

All pupils are expected to attend and will be accompanied on both days by HHGS staff. Provision will be made to shadow pupils who may be feeling nervous or apprehensive! The days will be a great opportunity for our pupils to gain some independence and will hopefully help them with their 16+ decision making in Year 11.

Please take note of the details for both days and sign and return the reply slip to Mr Lamerton, KS4 Manager.

Do not hesitate to contact me in school should you require further information.

Yours faithfully

Mrs J Smith
