

Hulme Hall Grammar School

Celebrating the individual since 1928

An independent co-educational school accredited by the Independent Schools Council

September 2018

Dear Parent/Carer

Re: GCSE Science Revision Guides and Workbooks

Please find attached details regarding GCSE Science Revision Guides and Workbooks that your child can use as practice tools throughout their GCSE course. It is highly recommended that pupils purchase these guides for the courses they are following at GCSE. The workbooks are supplied by CGP and can be purchased by pupils of their own accord. We have an opportunity to buy these at discounted prices.

Most pupils will be taking the higher paper, so it is advisable to order this version. If unsure please check and I will adjust the order accordingly.

Please return the attached form to school if you would like to order any of the revision resources (cheques payable to 'Hulme Hall Educational Trust') by **Wednesday 10th October**. If you have any questions please do not hesitate to contact me.

Yours faithfully

Mr A Stevenson
Head of Science
