JLC Newsletter

5th October 2018

Celebrating the individual since 1928

Firstly a big thank you to parents for supporting your children with their homework and making such a great effort. We are delighted with the standard of work that is being produced.

Thank you very much to Harry for bringing in some delicious donuts yesterday for his teachers and friends to show them how much he enjoys coming into school. We are pleased you love it so much!

Healthy Choices

As part of our PSHE course on Healthy Choices we had two visitors from Life Leisure. Miss Parvaz and Mr Carey talked to the children about making healthy food choices and then involved the children in a mini HIT session. The children thoroughly enjoyed it and had a great time.

Intelligent Investigating

This week the children have been investigating the life of James Lind in order to write a non-chronological report. They used the skills they were taught in Computing to upload pictures from the internet and to experiment with the size and colour of fonts.

Green Fingers

The children are enjoying weeding and tilling the ground outside the JLC. The plants planted by last year's Gardening Club are still thriving and adding a much needed splash of colour to the garden. The Council have informed us this week that the bed has been prepared in Cale Green Park and we are hoping to start working on it after half term.

Half Marathon Mission

Miss Smith is running the Manchester Half Marathon later this month in aid of our school charity, Beechwood. If you would like to support her, please visit her Just Giving Page www.justgiving.com/fundraising/tabitha-smith3

Dates for your Diary

Thurs 11th October
Trip to Castleton

Sat 13th October
Open Morning
9.30am-12noon

Fri 19th October
Break up for Half Term

Mon 5th November
Term Starts

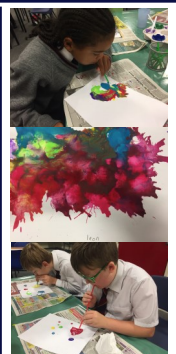

Wed 7th November
Trip to Mellor

Wed 14th November
Presentation Evening

Mon 3rd December
Pantomime,
Stockport Plaza

Clubs for Next Half Term

Tues Sports Club TBC
Wed Gardening Club
Thurs Lego club
Fri Film club

Blow Art

On the Craft Table the children had the opportunity to create 'Blow Art', experimenting with different sized straws to blow paint across a page. The finished artwork is now on display in the Green Room. Why not pop in and have a look?
