## JLC Newsletter

9th November 2018

Celebrating the individual since 1928

### Blooming Marvellous Visit

Josephine Holmes from Stockport Council visited the JLC to talk about the bulbs that are to be planted in Cale Green Park. The children were fascinated by the different sizes, shapes and colours of them and are keen to begin planting. Whilst here, Josephine chose the best garden design which went to Leon. Congratulations!

### Lighting Up the Classroom

This week the children celebrated Diwali by making Diwali lamps from salt dough. They then had a short procession around the classroom in the dark to show off their lamps. They loved finding out about the Festival of Light and are looking forward to their trip to Cheadle Mosque where Asad's mum is very excited to show us around.

### Dates for your Diary

Wed 14<sup>th</sup> November

**Trip to Bramhall  
Methodist Church  
Remembrance Poppy  
display**

**Presentation Evening**

Wed 21st November

**Lyme Park visit**

Sun 2nd December

Park Winter Event**  
12:30-3:00pm

Mon 3rd December  
**Pantomime  
Stockport Plaza**

Wed 19th December  
**JLC Christmas  
Performance**

### Sampling the Stone Age

As part of our Rocks and Metals topic, the JLC went to Mellor to see a model of a Stone Age roundhouse. The children were able to go inside it and were amazed at how big it was. The entire class and three adults were able to fit inside! After sitting on the log seats for a while Heidi decided it was not a comfortable place to live and Harry said that he felt sorry for the Stone Age people because it was cold in Mellor and they only wore animal skins! Everyone agreed that the view was fantastic and understood that the site was chosen for settlement because it could easily be defended. We all enjoyed Mellor and it is well worth a family visit.

### Remarkable Robots

A big thanks to children and parents for all the hard work you put in to designing and making the robots. We were extremely impressed with the circuitry and design of the models.

### Visit to Bramhall

Just a reminder that next Wednesday afternoon the JLC will travel by bus to see the Remembrance Day poppy display in Bramhall.
