

Hulme Hall Grammar School

Senior School Newsletter

14th September 2018

Celebrating the individual since 1928

Open Morning

You are all warmly invited to visit the school on Saturday 13th October 2018 between 9.30am and 12pm for our first Open Morning of the year. Pre-School, Junior Learning Centre and Senior School will be open for tours, so it is a great chance to see our school in action and talk with our staff.

It will give current, new and prospective parents and pupils a real feel for what makes Hulme Hall unique, so please invite neighbours, friends and family along to showcase what an amazing school we are!

Whilst we have many USPs (Unique Selling Points!), our pupils are by far our most important asset. Visitors can then see for themselves how happy our pupils are and talk to them about their progress and achievements. Therefore we would like **all pupils** at the Open Morning and would be grateful if you can arrange for your child to attend in order to make it a great success.

Whole School Open Day

Saturday 13th October 2018, 9.30am-12noon

An independent school for boys and girls

Dates for your Diary

Wednesday 10th October
Curriculum Enrichment Day 1
Years 7-11

Saturday 13th October
Open Morning
All pupils should attend

Extra-Curricular Activities

Please find a copy of this term's clubs on the reverse. The timetable is also available on our website and is added to and updated regularly.

All parents will know and recognise how important it is for pupils to develop a range of skills and interests whilst they are at school. These days employers, colleges and higher education admissions officers not only expect academic prowess but also want applicants that are well-rounded individuals with something to 'give.'

Participation in clubs offers precisely that! Pupils have fun, develop new talents, can represent school and also practise professional skills such as communication, commitment, teamwork, decision making and motivation.

We are aware that many pupils are really active and busy out of school and finding time to dedicate to homework can be a challenge. This is why we operate a Homework Club every morning, lunchtime and after school – always an opportunity for getting assignments completed on time!

Why not join a club this week? Go on..... give it a go!
