### Fantastic Fundraising!

This morning we hosted our first fundraising event of the year—the annual Macmillan Coffee Morning. Thank you to the staff and pupils from our fantastic Junior Learning Centre who once again took on the entire organisation and a huge thank you to all the families who provided cakes and goodies.

It was a great opportunity for new parents to get to know each other, meet existing parents and have a chat with staff. Most importantly we have shown support for a great charity and proved that a small school really can make a big difference. Well done – we raised £331.56!

### ISI Inspection

As you will all know we have been visited this week by the Independent Schools Inspectorate. ISA schools are inspected on average, every three years and as our last inspection was December 2014 we had a feeling we would be getting “The Phone Call” anytime soon!

The experience was positive for everyone involved. We await the findings of the report and will share the outcomes with you when the report is released. We are told that the whole process can take 4-5 working weeks.

### Seniors Success

Mr Bradford and Mrs Smith need to keep on their toes as new appointments for the ‘Top Job’ were announced in assembly this week!

After some strong competition, impressive application forms, confident interviews and difficult deliberations - our new Pupil Leadership Teams were declared:

Head Boy	Joseph Hayes
Head Girl	Yashni Vitlani
Deputy Head Boy	Drew Bickerton
Deputy Head Girl	Alisa Hussain
Dunham House Captain	Sam Dullehan
Tatton House Captain	Morgan Legg
Lyme House Captain	Hassan Kamran

We wish them great success in their new roles.

### Best of British

Thanks to Mrs Norman for her assembly on Fundamental British Values (FBV). Pupils from Years 4-11 enjoyed the creative and interactive approach to the session. We played Thumbs Up and Thumbs Down whilst learning all about democracy; the rule of law; individual liberty; mutual respect and tolerance of those of different faiths and beliefs.

As well as being our fabulous Food and Nutrition teacher, Mrs Norman has responsibility in school for SMSC (Social, Moral Spiritual and Cultural development) and is also leading on PSHE (Personal Social and Health Education).
