Pre-School Newsletter

January 2019

Celebrating the individual since 1928

Dear Parent/Carer

Welcome back and Happy New Year to you all! A special welcome to our new starters. On behalf of all the staff, thank you for all your cards, gifts and kind wishes. I hope you all enjoyed the festive period and the children are ready to face the busy term ahead.

Our Learning Theme

Our topic this term is 'Winter' which will be linked to weather, climate and the four seasons. We will be learning about the different clothes we need to wear to keep us warm and how nature changes during the winter.

Our topics are always child-led and we will therefore follow the interests of the children in developing this along with other subjects throughout the term.

Parent Partnership

We work extremely hard to ensure that your children benefit from the time they spend at school. We will be sending out Parent Questionnaires in the coming weeks, giving you the opportunity to tell us what you think about our Pre-School and the service we provide. Your views, feedback and ideas are important to us, so please do take time to complete the questionnaire.

We also have a Comments Box in the main entrance, should you wish to let us know of anything - we will always put your ideas to good use!

Thank you for your continued support and we look forward to working with you in 2019.

Nut Free Zone

As a small number of our children have serious nut allergies, please remember we are a NUT FREE school when you are providing snacks / packed lunches for your child.

Thank you for your support and understanding.

Forthcoming Events

Saturday 19th January 2019

Open Morning

9.30am—12noon
