

Hulme Hall Grammar School

Celebrating the individual since 1928

An independent co-educational school accredited by the Independent Schools Council

January 2019

Dear Parent/Carer

I am writing to inform you of some curricular sessions that will be offered by the Science Department, in the lead up to the GCSE examinations in the summer.

After school drop in sessions will be running every Thursday from 24th January, 3.30– 4.00pm, until Year 11 go on study leave. The session is not a taught one; moreover, it is an opportunity for pupils to use the time to seek guidance on particular topics or to develop their exam technique through practising past paper questions. Pupils are welcome to focus on all Science subjects.

Effective revision is crucial for pupils who want to achieve and exceed their target grade at GCSE. I would ask you to encourage your son/daughter to attend as many of these sessions as possible, especially for those subjects where more attention is needed. A register will be taken at each of the sessions and you are invited to contact the Science Department to enquire as to whether your son/daughter has attended. Contact emails are below.

I hope these sessions prove valuable to the students and we look forward to seeing as many pupils as possible over the coming weeks.

Yours faithfully

Mr A Stevenson
Head of Science
a.stevenson@hhgsvle.org

Mr J Ryan
Teacher of Biology
j.ryan@hhgsvle.org

Mrs C Basu
Teacher of Physics
c.basu@hhgsvle.org
