Dear Parent/Carer

Re: Use of Pupil Images in Publicity

We are currently updating our records with regards to how we use images of pupils in school.

On occasion, we may take photographs of your child to use in publicity to celebrate an achievement or showcase something that is happening in school. This may include the use of images:

- In school literature such as Newsletters and the Prospectus
- On the school website
- On social media including Twitter, Facebook and Instagram
- In local and National press including school advertisements

Please be assured that your child's full name will never be used in conjunction with individual photographs.

I would be grateful if you could fill in the form below and sign and return it to your child's form tutor by Friday 29th March.

Kind regards

Mr D Grierson
Headmaster
