Dear Parent/Carer

## **Re: Level 1 Qualification in Sports Leadership**

I am pleased to inform you that your son/daughter has opted to follow the above named course as part of the Year 10 Core PE curriculum.

His/her name has been registered with Sports Leaders UK and school has paid the £23.50 fee per pupil to take the qualification.

The qualification is an accredited certificate in Sports Leadership that is warmly welcomed by colleges, apprenticeship providers and employers. If successful in gaining a pass, your child will have demonstrated a variety of skills recognised by employers, including organisation, communication, planning, evaluating and of course, leadership.

The course will be delivered in school time during our weekly Core PE lesson. In order to pass, pupils not only have to achieve a standard, but also have to be present for a minimum of 18 guided learning hours; plan and lead a session with younger pupils which will be internally assessed; volunteer as a leader for a minimum of 1 hour and organise Pre-school sports events which will form part of their Final Assessment.

Finally, the cohort has agreed to use their skills and “pay back” by contributing to one of our Community Projects. They will be organising and supervising playground activities on a rota basis at St. George’s Primary School, during their Core PE lessons in Year 11. This will also serve as their Volunteer Section.

In order to assist the smooth running of this Award I would be grateful if you could ensure that your son/daughter attends school every week with their full PE kit and is present for assessments.

Yours faithfully
