

How can I help my child at home with maths?

In the street

- Recognising bus numbers
- Number plate hunt. Who can find a 7? Add the numbers up.
- Comparing door numbers, odds and evens
- Counting - how many lampposts on the way to school?

Doing the washing

- Counting in 2s - matching shoes
- Sorting by colour and size
- Matching/pairing up socks
- Find four shoes that are different sizes. Can you put them in order?

Time

- What day was it yesterday, is it today, tomorrow?
- Use timers, phones and clocks to measure short periods of time
 - Count down 10/ 20 seconds to get to the table/ into bed etc.
 - Recognising numbers on the clock. If you cover a number, what number was missing?

Food

- Can you cut your toast into 4 pieces? Can you cut it into triangles?
- Setting the table. Counting the right number of plates etc. How many more do we need?
- Can you make shapes/ patterns out of the knives and forks? Can you put them in the right place in the drawers?
- Helping with the cooking by measuring and counting ingredients
- Setting the timer
- Positional language at dinner time: what is on the rice, where are the carrots etc?

Going shopping

- Reading price tags
- Counting items into the basket
- Finding and counting coins
- Comparing weights - which is heavier

Measuring

- Are you taller than a ...?
- Marking height on the wall
- Cut hand shapes out of paper. How many hands long is the couch? How long is the table? Which is longer?
- Who has the biggest hands in our family?
- How many steps from the gate to the front door?

Shapes

- Cut a potato into shapes (circles, triangle etc). Use with paint to make pictures and patterns
- Cut out shapes from coloured paper/ newspaper and arrange into pictures
- Shape hunt: Can you find a square in your house (windows etc), a circle ...

Playdough

Here's a simple recipe:

1 cup of plain flour

1 cup of water

1 tablespoon cooking oil

2 teaspoons cream of tartar

Half a cup of salt

food colouring and essences (optional)

Put all ingredients in a large saucepan and heat slowly, stirring all the time until it forms a ball. Keep it

wrapped in Clingfilm or in a covered tub to stop it drying out.

Then ...

- Make numerals and shapes
- Sort shapes into groups, or order by size
- Make long and short wiggly snakes

Games

- Putting cards into piles
- Jigsaws (you can make your own by cutting up a magazine picture)
- Snap (matching pairs) or Happy Families (collect 4 of a kind)
- Snakes and ladders or other simple dice games.
- Adding numbers on two dice.
- Dominoes
- Bingo, with numbers or shapes
- Hopscotch

Number rhymes and songs

*5 little monkeys jumping on the bed
One fell off and bumped his head
Mummy called the doctor and the doctor said
"No more monkeys jumping on the bed!"
4 little monkeys jumping on the bed ...*

Your child can teach you more or you could try this website which has videos and sings the songs for you: <http://www.bussongs.com>
