

Hulme Hall Grammar School

JLC Newsletter

21st September 2018

Celebrating the individual since 1928

Welcome to the first Newsletter of the school year.... A special double page edition!

Thank you for coming to our Parent/Teacher meeting this week. We were pleased to show off all the work that your children have done in the first three weeks of term and delighted at the lovely comments that we received. Please do pass on your positive comments to our Marketing Manager at marketing@hulmehallschool.org so we can include them in the school's new prospectus.

Cadbury World

On the second week of term, we took the children on the train to Cadbury World to learn about the history of chocolate. We had a choctastic day tasting chocolate, drawing with chocolate and immersing ourselves in a 4D experience with the smell of chocolate! We would like to thank Hulme Hall PTA for making the trip possible by purchasing the train tickets and the children for their super behaviour and enthusiasm!

Our next trip will be to Mellor—details to follow shortly!

Dates for your Diary

Fri 28th September
Macmillan Coffee Morning
8:30am – 10:00am

Thurs 4th October
PTA Meeting
Governor's Pub,
Cheadle Hulme
7:00pm

Sat 13th October
Open Morning
9.30am-12noon

House Competition

It is fantastic to see our Senior pupils working so well with the JLC and being brilliant role models.

The House Captains came over to see us in their own time to explain how the House competition runs and to encourage our JLC members to work hard and earn merits for their House.

The House representatives were articulate and enthusiastic and we can't wait to get started!

JLC Newsletter

Brilliant Baking!

We love going over to the Senior School to do baking! Last week we made bread and this week the children created some fantastic cakes! It won't be long before they will be cooking a full meal!

Fishy Friends

It gives us great pleasure to introduce our new class pets, Goldie and Moonlight! The children took great pleasure in choosing the names and will take it in turns to feed them.

We are hoping that it will encourage them to take responsibility and teach them about life processes.

Superstars!

Congratulations to Rufus and Harry for doing some super instructions this week and also to Zak for his brilliant English work.

Mrs Smith was very impressed with your efforts!

Also, a huge well done to Harvey for winning a Young Writers Competition! His work is to be published and his mum has very kindly said that she will donate one of the books to school. We can't wait to read it!

An Open Door

Anyone wishing to speak to Miss Keddy about their child can either make an appointment via the office to see her or come and talk to her directly after school on a Wednesday, Thursday or Friday. She is not available on Monday and Tuesday due to Staff Meetings.

We set Homework for your child every Friday which should be handed in by Wednesday of the following week. Please make sure it is neatly presented and their own work.

We now have a fabulous display of rocks which was born from one of the children's interest in the subject! Why not let us know what your hobbies are so we can explore them too?
