Celebrating the individual since 1928

A Visit from the Mayor

On Wednesday we had a short visit from the Mayor of Stockport, Councillor Walter Brett, who was officially opening Pre-School's outdoor classroom. He was very impressed with the way the children were engaged with their work and gave them all a high five and a fist pump for their effort!

Keeping Warm

With the weather turning colder, please can we ask that children bring a coat with them to school for outdoor activities.

Congratulations Miss Smith!

We are delighted to report that Miss Smith completed the Manchester Half Marathon in 1 hour 55 minutes. A brilliant time for her first Half Marathon!

There was a lot of support along the streets of Manchester despite the terrible weather. Thank you to everyone who has donated and helped her raise almost £300 for Beechwood. She is now looking forward to her next Half Marathon challenge!

Dates for your Diary

Mon 5th November
Term Starts

Wed 7th November
Trip to Mellor

Wed 14th November
**Trip to Bramhall
Methodist Church
Remembrance Poppy
display**

Presentation Evening

Wed 21st November

**Friends of Cale Green
Park Winter Event
12:30-3:00pm**

Mon 3rd December
**Pantomime
Stockport Plaza**

Wed 19th December
**JLC Christmas
Performance**

Open Morning

We hope those of you that attended Open Morning enjoyed it and were impressed with how lovely school is looking. A big thank you to Rufus and George who were a great help and represented the school extremely well. They spoke to visitors in a friendly and informative way.

Fun Homework

The children have worked so hard this term and we are delighted with the work that they have produced. We have set some fun Homework for Half-Term and have challenged them to make a robot! We look forward to seeing the finished results!

Assessment

This week the children were busy doing the InCAS assessment which is a computer-adaptive evaluation that helps us identify learning needs. It measures progress in key developmental areas across the KS2 phase and is carried out three times a year.

The children enjoyed it and didn't even realise that they were doing an assessment! We will report back to parents next half term once strengths and weaknesses have been identified.
