### Proud at Presentation Evening

Miss Keddy was very proud of the mature way in which the prize winners conducted themselves on Wednesday night. Prizes went to Asad for learning and applying his times tables; Zak for all round achievement in every subject; Rufus for his enthusiasm and progress in reading and his great interest in books and to Harry for outstanding progress in reading.

The children were thrilled with their medals and a big thanks to Harry who brought his in the next day to show the class. The four award winners are an inspiration to everyone.

### Bramhall Remembers '100' Poppy Display

For the last few weeks, people throughout Bramhall have been creating paper and plastic poppies as part of the Bramhall Remembers 100 project to commemorate Armistice Day. These poppies were brought together to form an installation representing the unity of Bramhall in remembering and thanking those who fought for justice, freedom and liberty in the war. Our children made poppies for the display and on Wednesday, we visited the festival at the church to see them.

We were delighted to have former Junior Head, Lynn Ormiston, showing us around the church. It was a wonderful educational afternoon that taught us a lot about the war and its impact.

### Christmas is Coming

The children are continuing to practise their Winter Songs for the Christmas Celebration and are busy making Christmas baubles for the school fair.

### Spring Flowers

Last week, the JLC planted over 300 bulbs in Cale Green Park! They worked really hard and are looking forward to seeing the display of colour in the Spring.
