

# Hulme Hall Grammar School

## Pre-School Newsletter

September 2018

Celebrating the individual since 1928

Dear Parent/Carer,

Welcome back. It is lovely to see you all and I would like to extend a warm welcome to any new families who are joining Hulme Hall Pre-School. I hope you all had a fabulous summer and are ready for what promises to be a busy and exciting term!

We are thrilled that work has now begun on our outside classroom and Phase 2 will begin on Wednesday 12th September so please be aware there could be some disruption to parking.

### Health and Safety

When you come in and out of Pre-School please ensure the door is closed behind you – this is really important for the children's safety, even more so at this time of year when we have new children.

### Parking

There are limited car parking spaces available at the front of the school. Please help us by making sure you move your car as soon as you have picked up or dropped off your child.

### Personal Details

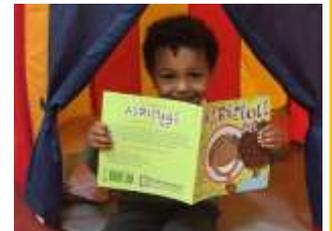

If you have changed your address or telephone numbers, please make sure you tell us so we can contact you if we need to. It is very upsetting for a child if they are ill and we have the wrong number.

### Marvellous Me

Our topic for this first half term is 'Marvellous Me'. This topic is an ideal way to settle the children into Pre-School and it also allows us to find out what the children are interested in and develop next steps.

Can you please send a baby photograph of your child and a family photograph.

### Kindergarten Parent Meeting

**Thursday 13th September at 9.00am**

I will provide you with an overview of the year and it will be an opportunity for you to meet parents and ask any questions you may have.

### Learning at Home - Useful Websites
