### We made it!

The end of term has arrived and not a minute too soon. Staff and pupils have worked hard throughout and we have all earned a well-deserved rest.

It's been an exciting and busy Autumn Term. Mr Bradford and Mrs Smith have enjoyed being 'Caretaker Managers' and could now give Ole Gunnar Solskjær a few tips! We have smashed our ISI RCI Inspection; celebrated a wonderful Presentation Evening at the Stockport Plaza; guided the Year 11s through their Mock Exams and finished the term with some fantastic fundraising and Christmas events.

As always, in any school year we expect change and plan accordingly. Today we say a fond farewell to some wonderful staff who have dedicated themselves to giving your sons and daughters the best education possible. Mrs Edwards (Head of Mathematics) is leaving after 14 years of service to pursue other interests and quality family time. Margaret has been an outstanding teacher and colleague and we wish her great happiness. Miss Jones (Enrichment) is moving to a state school to gain more experience and pursue her goal of becoming a qualified teacher. Miss Clegg (PE Department) has impressed us in her first term as a newly qualified teacher covering for Mr Bradford & Mrs Smith. We thank you all and wish you continued success.

The Spring Term sees us welcoming Mr Savage as our new Teacher of Mathematics and Mr McNaught has been promoted to Head of Mathematics. It's also time for Mr Bradford & Mrs Smith to pass over the reins to Mr Grierson, our new Headmaster who starts with us in January ..... (Also time to dig the tracksuits back out of the wardrobe!)

Finally, a huge well done to all those who took part in the House Talent Show today—some brilliant performances! Have a fantastic holiday with your families and we wish you all a Happy Christmas and best wishes for a happy and healthy New Year!
