Senior School Newsletter

Dear Parents

Last week I was delighted to be invited to the JLC to see how the children were celebrating World Book Day and to read a passage from my favourite book. The children spent the day focusing on the importance of reading and looked resplendent in their character costumes.

Good Luck to Mrs Catanach

Whilst on the theme of the JLC, I would like to wish the very best of luck to Mrs Vicky Catanach, who begins her maternity leave today. The good wishes of all at Hulme Hall are with her in the coming weeks and we look forward to the exciting news of her impending arrival!

High 5 to Hulme Hall

Our new sports facilities were put to very good use once again this week as we hosted another ISA (North) sports event. We welcomed 10 Independent Prep schools to compete in a "High 5" netball tournament.

The sun decided to shine on a fantastic event that eventually saw Greenbank Prep crowned champions. Thanks must again go to Mrs Smith and her band of Year 10 helpers, who organised and ran the event.

A Showcase of Talent

It was great to see several musicians, singers and actors showcasing their performing arts talents to the whole school at our assembly last Monday. A range of performers entertained the audience and there was even a reprise of a recent GCSE Drama Practical Assessment piece from our Year 11 Drama pupils. Very well done to all who took part.

Elevating Education

On the academic front, I am sure our Year 7 pupils will be delighted that the vast majority of their examinations are now completed and they deserve to have a restful and enjoyable weekend.

Elevate Education visited our Year 11 pupils again earlier in the week as they continued their study skills programme. The final set of Pupil Progress Records will be sent out to Year 11 parents today, and I would encourage all our candidates to take full advantage of the extra help that is on offer from staff. Don't forget too that the Enrichment Centre is now open until 5.00pm each evening (4.15pm on a Friday) for private study.
