Pre-School Newsletter

January 2020

Dear Parent/Carer

Welcome back and Happy New Year to you all—a special welcome to our new starters who are settling in brilliantly! I hope you all enjoyed the festive period and the children are ready to face the busy term ahead.

Our Learning Theme

We will begin the term with the topic of 'winter', talking about the season and discussing the weather and climate. The children will learn about the different clothes we need to wear to keep us warm and how nature changes during the winter season.

As always, we will follow the interests of the children in developing this topic and other topics throughout the term.

Parent Partnership

We work extremely hard to ensure that your children benefit from the time they spend at school. In the coming weeks, we will be sending out parent questionnaires to give you the opportunity to tell us what you think about our Pre-School and the service we provide. Your views, feedback and ideas are important to us, so please do take time to complete the questionnaire.

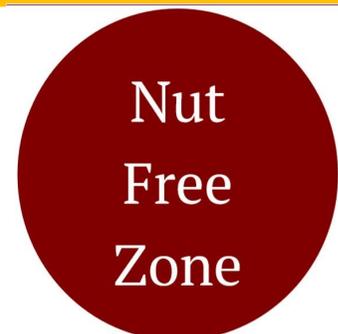

We also have a comments box in the main entrance for your suggestions. Please feel free to use it – we will always put your ideas to good use!

Thank you for your continued support and we look forward to working with you in 2020.

Nut Free Zone

As a small number of our children have serious nut allergies, please remember we are a NUT FREE school when you are providing snacks /packed lunches for your child.

Thank you for your support and understanding.

First Friday of Every Month*

10.00am—11.00am

*Term time only

Free Stay and Play Sessions

For children from 6 months to 4 years with accompanying adult

Have you been to one of our free Stay and Play sessions yet? They are a great way to meet other parents and bring younger siblings into Pre-School. Why not invite any friends with young children? We are running two sessions this half term on Friday 10th January and Friday 7th February and look forward to seeing you there!

School Closure and Severe Weather Procedures

Although the weather is unseasonably mild at the moment, I would ask that you remind yourselves of our School Closure Policy should we be hit by bad weather. This can be found on our website under About Us/Policies/School Closure Policy.

We will also use our website and social media to update you of any potential closures.
