

Grade	A01 Research	A02 Development Ideas	A03 Artistic Skills	A03a Annotation	A04 Final Outcome
5	Mostly consistent ability to create own artwork through purposeful artist research and contextual research. Mostly consistent ability to demonstrate critical understanding of sources.	Mostly consistent ability to refine ideas. A mostly consistent ability to effectively select and experiment with materials and techniques to develop ideas.	A mostly consistent ability to skilfully record ideas, observations and primary research through drawing, photographs and other relevant media.	Mostly consistent ability to evaluate work commenting on intentions, successful outcomes and required improvements.	Mostly consistent ability to skilfully present a personal and meaningful final outcome, realising overall intentions.
4	Average ability to create own artwork through purposeful artist research and contextual research. Average ability to demonstrate critical understanding of sources.	Average ability to refine ideas. Average ability to effectively select and experiment with materials and techniques to develop ideas.	Average ability to skilfully record ideas, observations and primary research through drawing, photographs and other relevant media.	Average ability to evaluate work commenting on intentions, successful outcomes and required improvements.	Average ability to skilfully present a personal and meaningful final outcome, realising overall intentions.
3	Moderate ability to create own artwork through purposeful artist research and contextual research. Moderate ability to demonstrate critical understanding of sources.	Moderate ability to refine ideas. Moderate ability to effectively select and experiment with materials and techniques to develop ideas.	Moderate ability to skilfully record ideas, observations and primary research through drawing, photographs and other relevant media.	Moderate ability to evaluate work commenting on intentions, successful outcomes and required improvements.	Moderate ability to skilfully present a personal and meaningful final outcome, realising overall intentions.
2	Some ability to create own artwork through purposeful artist research and contextual research. Some ability to demonstrate critical understanding of sources.	Some ability to refine ideas. Some ability to effectively select and experiment with materials and techniques to develop ideas.	Some ability to skilfully record ideas, observations and primary research through drawing, photographs and other relevant media.	Some ability to evaluate work commenting on intentions, successful outcomes and required improvements.	Some ability to skilfully present a personal and meaningful final outcome, realising overall intentions.
1	Minimal ability to create own artwork through purposeful artist research and contextual research. Minimal ability to demonstrate critical understanding of sources.	Minimal ability to refine ideas. Minimal ability to effectively select and experiment with materials and techniques to develop ideas.	Minimal ability to skilfully record ideas, observations and primary research through drawing, photographs and other relevant media.	Minimal ability to evaluate work commenting on intentions, successful outcomes and required improvements.	Minimal ability to skilfully present a personal and meaningful final outcome, realising overall intentions.

Gold	Securing ability to create own artwork through purposeful artist research and contextual research. Securing ability to demonstrate critical understanding of sources.	Securing ability to refine ideas. Securing ability to effectively select and experiment with materials and techniques to develop ideas.	Securing ability to skilfully record ideas, observations and primary research through drawing, photographs and other relevant media.	Securing ability to evaluate work commenting on intentions, successful outcomes and required improvements.	Securing ability to skilfully present a personal and meaningful final outcome, realising overall intentions.
Silver	Developing ability to create own artwork through purposeful artist research and contextual research. Developing ability to demonstrate critical understanding of sources.	Developing ability to refine ideas. Developing ability to effectively select and experiment with materials and techniques to develop ideas.	Developing ability to skilfully record ideas, observations and primary research through drawing, photographs and other relevant media.	Developing ability to evaluate work commenting on intentions, successful outcomes and required improvements.	Developing ability to skilfully present a personal and meaningful final outcome, realising overall intentions.
Bronze	Emerging ability to create own artwork through purposeful artist research and contextual research. Emerging ability to demonstrate critical understanding of sources.	Emerging ability to refine ideas. Emerging ability to effectively select and experiment with materials and techniques to develop ideas.	Emerging ability to skilfully record ideas, observations and primary research through drawing, photographs and other relevant media.	Emerging ability to evaluate work commenting on intentions, successful outcomes and required improvements.	Emerging ability to skilfully present a personal and meaningful final outcome, realising overall intentions.
