## Senior School Newsletter

7th February 2020

### The Road to Exams

This morning our Year 11 GCSE students received their mock examination results. These results represent an important staging post in the build up to the summer examinations and I would hope that all the students will reflect carefully with their parents on the grades they have received. They should consider their strengths and subjects that they did well in, but also identify areas where they need to devote some extra attention in the coming weeks.

Preparing for public examinations can be a stressful experience for our young people and our staff are always available to offer help and support where necessary. Each Year 11 student has also been allocated a senior member of staff who will now act as a mentor, offering an additional layer of individual help and support from now until the summer. Good luck to all of them as they approach the final weeks of their Hulme Hall careers.

### Future Pupils

In the past couple of weeks it has been my pleasure to interview a large number of prospective pupils and parents as part of our admissions process for September 2020.

I have been delighted with the quality of candidates and also pleased to note that Hulme Hall has been recommended to a number of families by current and past pupils and parents.

Thank you for your support.

### Have you checked out our Spring Clubs on our website?

There are lots on offer this term including, Science, Photography, Rock Band and Lacrosse.

Mr Dean Grierson, Headmaster

## A Smashing Result

Congratulations to our U16 Basketball team who put in a brilliant performance against Beech Hall last night and won the fixture 46 to 15.

It was another inspiring display of teamwork with all players putting in maximum effort. MVP was awarded to Harry T.

The match was recorded as part of the boys' GCSE assessment, so it was a great time to show such tenacity and skill. Well done!

## Spreading the Hulme Hall Message

If you are driving around Stockport in the next couple of weeks, see if you can spot our Ad Van which is taking to the streets of the local area! It made a quick stop outside school this morning before it headed off to spread the word about Hulme Hall.
