An independent co-educational school accredited by the Independent Schools Council

Dear Parent/Carer

Thank you for all your patience, support and collaboration during this unprecedented time.

As you are aware Public Health England has now made the decision to close all schools.

We want to support you during this period and ensure some continuity of learning for your child. With this in mind, we have put together a learning pack for every child in Pre-School with activities that are personalised for your child's stage of development.

In addition to the pack, the following websites have useful ideas and activities for Pre-School:

- [www.twinkl.co.uk](http://www.twinkl.co.uk) Twinkl is supporting schools where closures are taking place by offering free membership for a month. They have amazing resources which are suitable for Pre-School children. Go to [www.twinkl.co.uk/offer](http://www.twinkl.co.uk/offer) and enter the code **UKTWINKLHELPS**
- [www.themuddypudlesteacher.co.uk](http://www.themuddypudlesteacher.co.uk) have some creative outdoor learning activities and are also currently providing free membership.
- There are various documents on the school website <https://www.hulmehallschool.org/pre-school/> with useful ideas on how you can support your child's learning at home.
- Please continue to use [www.learningbook.co.uk](http://www.learningbook.co.uk) and upload photographs onto your child's digital learning journey.

The children in Kindergarten have planted a beanstalk and will be bringing their beanstalk home. Please can you keep a diary and ensure your beanstalk has enough light and water to grow. You can tell us how your beanstalk is doing through **Learningbook** where you can also upload photos.

Please continue to use the up to date information that is provided by the following websites regarding the current COVID-19 situation. These official sites are important public websites so you can get the most up to date news, information and guidance to address any concerns you may have.
